

NICK BLACK

WEB DEVELOPER

ABOUT ME

My background is in Art and Design which led me to work in the screen printing industry for many years. Now I'm starting on a new adventure in the web development field. I've always enjoyed challenges and troubleshooting so I knew I'd be a great programmer. I'm a fast learner that easily adapts to new situations. I'm Proficient in HTML5, CSS, JavaScript, and React.js., Node.js, Express and MySQL.
